## ABOUT THIS CAR

**IDEAL FOR USE ON:** Odyssey Italia / Great Amazon Adventure / Road To Saigon / Flying Scotsman / Alpine Trial / Trans America / Safari Challenge / Himalayan Challenge / The Grand Prix of South America / Maharajah Marathon / Peking To Paris

Here we have for sale a totally proven, turn-key ready to go package for anybody that wants to go long distance rallying either as an experienced or a novice participant. Looked after by Rally Preparation Services Ltd for several years now this Chevrolet rally car has had a full ground up rebuild and restoration and has been developed whilst in the current ownership bringing the car up to its now ideal specification.

Juan Manuel Fangio rallied these cars in period with much success winning the Grand Prix International Championship in a Chevrolet and then devoted his time and becoming champion of the Argentine Turismo Carretera both in 1940 and 1941; This Argentinian event is the oldest car racing series in the world that remains active. Fangio is still regarded by many as one of the greatest competition drivers of all time

Ideal for long distance rallying anywhere in the world this car is potentially a rally winner, the car also comes complete with a full spares package meaning the car is absolutely "ready to rally!"

Rally Preparation Services Ltd is the specialists not only in Pre-War American rally cars but also Long-Distance rallying so this car combines all of what we specialise in and are known for globally.

This car will allow anybody to take the start line of any long-distance event with a car that has been maintained regardless of cost - immediately.
