Rally Preparation Services is pleased to offer a 1938 Chevrolet Fangio Coupe classic car for sale. This long-distance endurance rally car is a totally proven, turn-key ready to go package for anybody that wants to go endurance rallying either as an experienced or a novice participant. Looked after by Rally Preparation Services Ltd for several years now, this classic rally car has had a full ground up rebuild and restoration. It has been developed whilst in the current ownership, bringing the car up to its now ideal specification. The term "regardless of expense" is much used and indeed abused unfortunately but in this case is the absolutely correct description.

Juan Manuel Fangio rallied (for "rally read off-road race) these cars in period with much success winning the Grand Prix International Championship in a Chevrolet and then devoted his time and becoming champion of the Argentine Turismo Carrera both in 1940 and 1941; This Argentinian event is the oldest car racing series in the world that remains active. Fangio is still regarded by many as one of the greatest competition drivers of all time.

Ideal for long distance endurance rallying anywhere in the world, this car is potentially a rally winner. This Chevrolet also comes complete with a full spares package meaning the car is absolutely ready to rally!

Rally Preparation Services Ltd is a specialist not only in Pre-War American rally cars but also endurance rally preparation so this car combines all of what RPS specialises in and is known for globally.

This car will allow anybody to take the start line of any long-distance event with a car that has been maintained regardless of cost – immediately.

The car is currently residing at RPS' sister company - the SASCo storage facility and available for inspection.

All viewings and test drives welcomed by appointment at Rally Preparation Services All enquiries please to Martin on martin@rpscvm.com or telephone +44 (0)1993 358009.
